Reset

Show Reset Options...

Help

Reset

The following operations are for use only in rare, specific situations and should not be used for general troubleshooting. In many cases, resetting will cause additional problems. See Sync Reset Options for more information.

Library:

My Library   ⌄

◯   **Replace Online Library**

Overwrite online library with local Zotero data

◯   **Reset File Sync History**

Compare all attachment files with the storage service

Reset...
