The diagram illustrates a neural network layer. On the left, there is a vertical blue bar. To its right, there are two rows of rectangular nodes. The top row consists of 20 light green rectangular nodes, each with a thin black border. To the left of this row is a double quote symbol ("). The bottom row consists of 3 light green rectangular nodes, each with a thin black border. To the left of this row is a single quote symbol ('). A horizontal line connects the right side of the 3 nodes in the bottom row to the right side of the 20 nodes in the top row, representing a connection between the two layers.
